

PROTECTING YOU OUR RESPONSE TO COVID-19

As organizations begin to evaluate plans to return to the office, we want you to know that we care about the health, safety, and well-being of your staff. We have implemented comprehensive changes in our operational protocols to provide you the best customer experience possible during these challenging times.

So that we can serve you with confidence, below are just a few changes we've made with our professionally trained and vetted crews.

PPE

- Masks and nitrile gloves
- Uniform cleaning protocols
- Soap, towels and sanitizer on each job site
- Proper cleaning or disposal of PPE used

Safety Lead

- Optional service for larger projects
- Compliance to all mutually agreed safety protocols
- Enforce social distancing
- Wipe/clean surfaces

Sanitation

- Clean/disinfect packing crates and dollies
- Optional single use totes
- Quarantine commercial bins & Comp-U-Wrap® before reuse
- Vehicles cleaned and sanitized

We look forward to reviewing our complete plan with you to address any questions, concerns, or special requests. As your trusted partner, our goal is to meet your requirements and exceed your expectations for quality service. We remain flexible and ready to respond to updated guidelines as they may develop.
